ALUMNI ASSOCIATION

## THE BOARD of DIRECTORS' REPORT

*Tough Times Don't Last  
but Tough People  
Standing on God's Word  
Do!*

This was another one of those roller coaster years. A year that COVID still demanded much of our attention; along with the political, religious, and

economic unrest. Yet, through it all, your consistent love and generous support has helped to sustain our "Legacy; Dear Ole H & I"!

Fellow Alums and friends of the Alums, we can't get weary of doing what's good and what's right. There are so many good kids back home trying to push through this maze of despair and dismay. Some finding their way through insurmountable obstacles and others just giving up. If not for the GRACE of God, there we would be. Let's stand together H&I family and continue to "pay it forward"!

*Tough Times Don't Last but Tough People  
Standing on God's Word Do!*

**H&I Year in Review:** One of our beloved senior leaders and Museum Endowment Chairman, Clyde "C.B." Richardson was called home November 6, 2021 (Acknowledgement in Newsletter). The Necrology Committee acknowledged and reached out to members and families when it was made aware of a transition. *"And therefore, be it resolved that we bow in acceptance of the perfection of God's plan to gather each of us into His merciful arms when we have fulfilled our task on this earth".*

**Board Member Transition:** Board member James Brame stepped down from the Board due a death in the family. Lots of love and deepest condolences were extended to the Brame family. James was an

excellent addition to the Board, and he will be sorely missed.

We now have a Board vacancy. One potential candidate is being considered. Anyone interested in serving on the Board, please send your request to: **Henderson Institute Former Students and Graduates Alumni Association, PO Box 2081, Henderson NC, 27536. Attn: Board of Directors**

**The following is a summary of the Board activities since our prior Newsletter.**

**The Board of Directors** - We continued to utilize the Zoom platform throughout 2021 at no cost to the Association. We migrated from the Go-to-Meeting utility to Zoom in Feb. 2021. The Board's decision to meet six times annually in 2021 vs nine times has proven to work very effectively.

Vice Chairman, Larry Carroll, did an excellent job during his first year as Board Vice-Chairman. Larry assisted Board member O. Terry in re-establishing the HI - Vance County Board of Education partnership relative to the Alfred Street Baptist Church HBCU Scholarship Program. He is also assisting in developing a plan to engage the Black churches of Vance County in this scholarship initiative in time for the winter 2022 HBCU College Festival.

Carroll, W. Holloway, O. Terry, and H. Richardson were instrumental in obtaining the three bids necessary to finalize the purchase of a new heat pump for the Museum.

O. Terry and W. Holloway along with John Hodge, are also members of the Museum Access/Security Management Committee.

Board Secretary, Janice Ellis-Woods continues to manage Board scheduling, maintaining associations records, recording minutes, and ensuring overall

coordination of all Board activities. Janice continues her role as Co-Chair of the Association's Constitution and Bylaws Committee, and she continues to provide direction and insight to the Board and the Chairman.

**Introduced New HI Website:** Board members Jacquelyn Woodard and Frederick Williams were instrumental in coordinating the development and roll out the New HI Website in 2021. Feedback from HI members and friends indicated the site is an enormous success. Please visit the site (**henderson-institute.org**) at your earliest convenience. While you are on the website, make sure to spend time on the Virtual Museum Tour.

Rose Bullock, Ida Kingsbury, Vella Traynham are members of our new HI Website Content Review Committee. This Committee is responsible for the compliance review of all proposed Website Content prior to production.

**The Board in conjunction with the HI Scholarship Committee will offer the following:**

1) **The Scholarship Committee**, under the Chairmanship of R. Bogan, will continue their excellent job managing the scholarship offerings based on our traditional HI Scholarship Program. One thousand dollars is offered per year/per student (from the freshman to senior year) for all qualifying college-bound students accepted into the program.

2) We will continue to engage Vance County college-bound students in **the Alfred Street Baptist Church's Historical Black Colleges and Universities, Scholarship College Festival**. Qualified students will be afforded the opportunity to receive scholarships, free admission, along with other student benefits during this annual event. The next College Festival is scheduled for October/November of this year. We met with the Assistant Superintendent of the Vance County Schools in the Fall of 2021 and our plans are ongoing to partner with them during the second quarter of this year.

3) **We plan to introduce the Vance County college-bound students to the Thurgood Marshall College Fund and Novartis US Foundation offering this year.**

The Thurgood Marshall College Fund (TMCF) and Novartis US Foundation are offering \$20 million in scholarship funds to help up to 360 students pursue their academic studies at one of the 26 Historically Black Colleges and Universities (HBCUs) and Medical Schools. Students can apply and receive \$10,000 for three years during their sophomore, junior and senior years. Students can receive \$30,000 to alleviate financial challenges that they might face during their college years. To qualify students must study Public Health, Technology or Business, have at least a 3.0 GPA and have financial needs. **The goal of the program is to create access to high quality education and address existing medical distrust in the Black community, by more providing more qualified black professionals.**

**The Museum Committee: Co-Chairpersons** R. H. Wilson and K.P. Johnson and committee members; W. Holloway, E. M. Alston, S. W. Jones, D. B. Henderson, and D. T. Justice continue to maintain the site in a highly professional manner. The team recently formatted the museum inventory in an EXCEL spreadsheet and migrated the inventory to safe storage on Google Drive. The committee is still tweaking item locations within the museum.

**The New HI Legacy Committee** was formed in 2021. The Committee members are Alice Clements, Fedora Daye, and Anita Hicks. The new members bring renewed excitement to the role. We are expecting positive results in this space throughout this year and going forward.

The Board members are requested to bring at least one new member into the Association during 2022. Board members were able to onboard two new members despite the pandemic during 2021.

**HI Association Fundraising Committee Status:** Potential donors have been identified and a documented process has been approved. Committee membership is currently being realigned.

### THE PRESIDENT'S MESSAGE

Greetings and Happy New Year  
**PANTHER NATION,**

I hope and pray that you, your family, and friends are safe and well as we continue to toil through this continued pandemic crisis.

The National Executive Committee ask for your prayers and support as we put forth our best effort to sustain the Association financially and historically.

Our association needs your continued support to meet our goals of providing scholarships, sponsoring, and participating in community activities, and continuing our Annual Reunion. The reunion provides fellowship and continues to preserve the legacy of our beloved Henderson Institute. Your support is valuable and appreciated.

When we think of Henderson Institute's legacy, every one of us has memorable destinations along our journeys through life. As Henderson Institute alumni, we are united by the GPS coordinates of 36°20'18"N and 78°24'0"W better known as the campus location of Henderson Institute.

We are still enduring another unprecedented year, along with the disappointment of not being able to gather for our Annual 2021 Reunion because of COVID-19.

The National Executive Committee is in the process of planning for the **2022 Annual Reunion** as an in-person event during the weekend of September 2-3, 2022, at

Vance Granville Community College or as a virtual reunion on September 3, 2022. We all look forward to reconnecting, sharing friendships, acknowledging achievements, and displaying our pride in person or via the Zoom platform. The class of 1970 will be the host class.

I want to remind the membership that this is your Alumni Association. Our goals are to preserve a mutually beneficial and enduring relationship among alums and remain strong in our operations and programs. Together we connect the alumni and preserve to the school legacy. As your representatives, we are constantly seeking meaningful ways to embrace your needs and unite our efforts. To our new members, welcome to the group. We are happy to have you with us! Do not forget to support your local **Alumni Chapter**.

We will continue to keep the membership informed of the 2022 Annual Reunion plans as we consider the safety and well-being of our membership as the top priority. Hopefully, everyone is vaccinated and have received your booster shots. Please continue to will comply with all COVID-19 guidelines and stay safe.

We are excited about the direction and future of the Alumni Association and look forward to serving and sharing information with you, throughout the year.

### THE SCHOLARSHIP COMMITTEE

The Henderson Institute – Robert Bogan Scholarship Fund Committee members wish to express sincere gratitude and appreciation to Elnora O’Hara for her dedication and support over many years. After 15 plus years serving a lead role on the committee, Elnora submitted her resignation at the end of 2021. A flowered dish plant was delivered to her in appreciation of all she contributed to the organization and is encouraging her to remain on board as an Honorary Member with the title of Secretary Emeritus.

The Scholarship Committee is pleased to welcome Jacqueline Woodard and Deborah Jefferson Brown. Both will be great assets to the committee. Jaqueline brings experience from her involvement with the Alfred Street

Baptist Church HBCU Scholarship Program and Deborah bring expertise through her community service as a former member of the Vance County Board of Education and the Vance County Board of Commissioners. The committee looks forward to collaborating with them.

The committee members are great to work with and welcome new ideas. If interested in joining, please contact Chairperson, Robert Bogan at (301) 503-2754 or rlbogan115@aol.com.

## **FORTY-FIFTH ANNUAL**

## **HENDERSON INSTITUTE REUNION**

On September 4, 2021, at 7:00 PM, the Henderson Institute Graduates and Former Students Association held its Forty-Fifth Annual School Reunion for the second year via Zoom. Over 100 graduates, former students and legacies were in attendance. The theme was "A Black and Gold Evening to Remember." Calvin Thompson (1969), National President, was Master of Ceremonies.

As attendees signed in, they viewed a video presentation of pictures from past reunions. Pictures were provided by Samuel Williams (1968) and Irene Henderson Thomas (1960). The program began with a prayer offered by Larry Carroll (1969), followed by a video of the Negro National Anthem, "Lift Every Voice and Sing". Thomas Gilbert McKnight (1956), Parliamentarian and former National President, then entertained with a few humorous anecdotes.

Three national chapters reported. Emma Hicks Hawkins (1961), President of the York/New Jersey Chapter, shared that due to Covid there was no 2021 fundraiser. One is planned for the beginning of next year. The Triad Chapter (Vance and surrounding counties) President, Marion Perry Harrison (1963), reported that the chapter has made financial donations to the following: the Museum Endowment Fund in honor of Henrietta Hatton Clark (1930), Welcome Chapel Baptist Church in honor of Maurice Harrison (1960), The Vance County Boys and Girls Club and the Vance County Social Services, "Shop with a Cop" Program. Toiletries and household items,

along with individual monetary contributions were donated to the Vance County Democratic Party's Hope the Homeless to support for local homeless shelters. Ida Kingsberry (1964), President of DC/MAC (Metropolitan Washington and Maryland) reported that they meet quarterly, and that the pandemic has limited their activities. All chapters are working vigorously to increase their membership.

Robert Bogan (1957) and Edward Ellis (1960) gave an update on the National Scholarship Committee. Due to the pandemic, schools were not open for regular sessions, resulting in fewer students applying for scholarships last year. Therefore, the committee received approval from the HI Board of Directors to award a one-time only, an additional \$1,000.00 to the \$1,000.00 per year scholarship for the 2021 school year. Scholarship recipients were Yazi Majette, NC A&T State University and Kwaji Bullock, NC AT State University. Congratulations to Antonio Lloyd, a four-year scholarship recipient, for graduating from UNC-Chapel Hill. The committee plans to continue to actively recruit scholarship applicants, encourage enrollment in HBCUs and follow-up on the status of past scholarship recipients. Frederick Williams (1970), website co-chair, gave a brief overview of the website, [henderson-institute.org](http://henderson-institute.org). The site will be updated every six months. William Holden (1969), Chairman of the Henderson Institute Board of Directors, expressed gratitude to Javonte Perry, the videographer of the Virtual Museum Tour. He did an

outstanding job. Fundraising Committee Chair, Karen Patterson Johnson (1970), reported that the committee members were ready to contact potential donors. They will reach out first to the membership and the community and when the pandemic allows, a broader base.

Three drawings for door prizes were held throughout the evening. Six prizes were won: three Association memberships for one year, two Annual Reunion registrations and one Annual Reunion registration plus one guest. Sandra Walton Jones (1968) coordinated the drawings.

Ruth Helen Wilson (1970), Museum Committee Co-Chair, presented the Museum Report. In April, the committee completed an inventory of the museum contents. In the future, three special projects are planned—document the history of the former African American elementary schools; identify graduates, students and members who have been or were notable in their careers, and document/video tape students' memories of Henderson Institute. The committee will also investigate ways to update the technology in the museum.

Henderson Institute Appreciation Awards were presented by Awards Chair, Rev. Ola Thorpe Cooper (1962), to the following members:

- Juanita Whitfield Hicks (1957), for service as Membership Committee Chair, National Committee and Planning Committee Chair, and Triad Treasurer and Corresponding Secretary
- John Hodge (1969), for over twenty years of excellence as Financial Secretary and Registration Chair
- Elnora Russell O'Hara (1953), for service as a member of the Fund Raising, Membership and Correspondence Committees and former Secretary of the Scholarship Committee.

The evening's mood became solemn when Transitions from September 2020 – 2021 was presented by LeVerne Burwell Grant (1968); followed by a prayer by Rev. Cooper. A special recognition was given in remembrance of Ralph Clifton Glover, Sr. (1957), for his enthusiastic and faithful service as National President, and as a member and Chair of the Board of the Directors. A graduate of Elizabeth City State University, Glover retired after over thirty years of employment from the Vance County Schools, where he served as a classroom teacher, program director and elementary school principal. While a classroom teacher, he led a Cub Scout troop. A

devoted member of Big Ruin Creek Baptist Church, Glover was a deacon and former Chair of the Kitchen Committee. In the community, he was active in the SERTOMA club, the DAV, and held leadership positions in the Masons and the Elks.

Plans have already been made for a 2022 in-person reunion. Michael Terry (1970) stated that his class will be the host and will be making a financial contribution to the museum. Calvin Thompson shared that the Association has reserved a venue for Labor Day Weekend, August 30, 2022 – September 1, 2022. William Holden thanked all supporters of the Association past and present. He also welcomed new committee members:

- Legacy Committee - Anita Hicks, Alice Clements and Flodora Daye
- Website Content Review Committee - Rose Bullock (1966), Ida Kingsberry (1964) and Vella Traynham (1967)
- Scholarship Committee - Anita P. Bailey (1964) and Laverne J. Pruden (1969)
- Museum Planning Committee - Dorothy T. Justice (1968).

Holden reminded those in attendance that Henderson Institute is a 501c3 Non-Profit and that the financial team tracks all donations and provides proof for tax purposes. **Alycia Crews (Legacy) and Vera D. Hodge (1969) were recognized and thanked for doing an excellent job in hosting the Zoom meeting.**

The evening ended with the Alma Mater, led by Clarence Lemay (1968) and a presentation of a 2021 Survival Kit for coping with the pandemic.

*July 8, 1933 - November 6, 2021*

Dearest Mrs. Richardson,

Our Henderson Institute Alumni family was deeply saddened when we heard the news of our brother, and your husband, Mr. Clyde B. Richardson's death last week. We are sending you our sincerest condolences and know that you will be in our thoughts and prayers. **Brother CB** is one of the most brilliant minds we have ever known, within the Henderson Institute Association and we will miss him greatly. Your Husband constantly provided direction, advise, guidance and financial support to the Association whenever the need arose. He was there to motivate and encourage each of us to stay focused on the "Big Picture"; the advancement of the legacy of Henderson Institute; Dear Old H & I.

CB was the Chairman of the Museum Endowment Committee, and a major fund raiser, who secured several grants and donor related monies in the drive to advance the Henderson Institute Museum to a World-Class status.

CB was a member of the Henderson Institute Scholarship Committee and he worked countless hours in solidifying an educational platform that allowed many Vance-County College Bound students to continue their educational journey's.

CB was consistently looking for ways to inspire members to get more involved in the process of growing our HI legacy. He introduced several fund-raising references to the Henderson Institute Fundraising Committee. Those references provided the Committee with the tools necessary to formalize

Sincerely,

Chairman of the Henderson Institute Alumni Association, Mr. William Holden  
President of the Henderson Institute Alumni Association, Mr. Calvin Thompson

our overall fund-raising processes, practices, and approach.

CB was always available to advise many of the Association Officers when faced with challenges during general operational or strategic planning efforts.

CB made a tremendous impact on maintaining the stability of the Museum and in many instances across the overall Association.

CB was a dutiful member of the Henderson Institute DCMAC Chapter in the Baltimore /Washington area and a

strong supporter of all initiatives per the Chapter President, Ms. Ida Kingsberry.

Again, the entire Henderson Institute Alumni family is in pain and sorrow knowing that we have lost such a wonderful friend and fellow Henderson Institute Brother.

The entire Henderson Institute Alumni family is aware that nothing can take away the pain you are feeling during this difficult time. However, we want to hold you in our arms right now and tell you that you are always in our thoughts and prayers. Please accept the Association's sincere condolences and think of these words as warm hugs that will give you comfort during this difficult time."

Finally, thank you so much Mrs. Richardson, for not considering it robbery to have our brother, and your husband, Mr. Clyde B. Richardson, dedicate so much time, effort, and love in support of the Association and his many friends here at 'DEAR OLE H & I'.

## City dedicates building to Dr. Andrea L. Harris

**BY KELLEN HOLTZMAN**

KHOLTZMAN@HENDERSONDISPATCH.COM;

**HENDERSON** — Featured speaker, attorney and local historian Tem Blackburn summarized a dedication Tuesday morning for Andrea Harris as “one of the brightest moments in the history of Henderson.”

Henderson Police officers controlled traffic on Beckford Drive, and tethered balloons swayed in the breeze as dozens filed into the parking lot to celebrate the naming

of the city’s Dr. Andrea L. Harris Operations and Service Center, which the Henderson-Vance County Chamber of Commerce honored with a ribbon-cutting.

With state Rep. Terry Garrison, D-32, looking on from the crowd, a Gov. Roy Cooper surrogate was among a group of speakers that also included Alana Harris, niece of Andrea, the fierce champion for social and economic justice who passed away in 2020 at the age of 72.

"If I am correct," Blackburn said, "this is the first public building which has been named for an African American in Henderson since Eaton-Johnson [school]. She would be gratified if it were the first of several more to become public memorials of the aspirations and achievements of African Americans from this community and in this community."

"It would be a grand thing if the names of Charlotte Hawkins Brown and Col. James Hunter Young and others now known mostly only to local historians could join the Andrea Harris city operations center as public records of their achievements."

It was not lost on a few of the speakers that Tuesday's celebration was held on the first day of Black History Month.

A 1966 Henderson Institute graduate, Andrea Harris co-founded the N.C. Institute of Minority Economic Development in 1986.

"She was a trailblazer, a community advocate, an educator, and a leader," Gov. Cooper said through his office's director of public engagement, Stephanie Pigues. "Her contribution to the establishment of the N.C. Institute of Minority Economic Development has been an important tool for the success of women and minority-owned businesses in our state. Her tireless efforts have made an important difference in communities all across North Carolina. I am grateful for the recognition you are bestowing on my good friend Dr. Harris."

Mayor Eddie Elling-

Alana Harris (holding scissors), niece of Andrea Harris and board secretary of the Andrea L. Harris Foundation, led the Henderson-Vance County Chamber of Commerce ribbon-cutting ceremony on Tuesday.

Kellen Holtzman/Dispatch Staff

Franklin Vance Warren Opportunity, Inc. CEO Abdul Rasheed was one of several speakers on a Tuesday program that also included a surrogate from Gov. Roy Cooper's office.

ton called Andrea Harris "one of the brightest lights of our time and a brilliant champion for all people," before Desiree Crawford outlined Harris' legacy as a pioneer for Black women.

Crawford is the Oxford-Henderson Alumnae Chapter president of Andrea Harris' beloved Delta Sigma Theta Sorority. Dressed in red, the sorority showed up Tuesday in full force, filling the first several rows of seats.

Crawford said Andrea Harris was "the embodiment of some of the greatest and also forgotten parts of Henderson."

Other speakers

included but were not limited to City Manager Terrell Blackmon, National Institute of Minority Economic Development Board Chairman Lew Myers, Franklin Vance Warren Opportunity Inc. CEO Abdul Rasheed and City Councilwoman Melissa Elliott.

Alana Harris injected levity, saying that if her "Aunt Andrea" was alive today, she would make sure to use the building named after her as a point of reference whenever giving directions around Henderson.

Blackburn noted the building wasn't far from Rock Spring Street,

ANDREA HARRIS

where Andrea Harris grew up, and that it was located on one of the busiest streets in the community, which he thought was fitting for someone who was thought of as one of the busiest people in the community.

Blackburn, calling Andrea Harris a "cherished friend," said immediately upon their introduction, he thought of Harris as one of the classiest and smartest people he would ever meet. She was smart in an intellectual sense, he said, but also in a determined and pragmatic way.

"She knew what needed to be done and got it done," Blackburn said, "and she definitely was one of the smartest people I've ever known."
